D. No. 824/63

1) The ccf has subd., proposals recd., from the Asst. Commr., Belgaum for the diversion of certain forest area in Gungargatti village in Dharwar Tq., It can be seen from the DC's report of 15-12-1962 that an area of 14 Acres out of S. No. 1-D of Gangargatti has been ordered to be granted in favour of Sri. Adiveppa Mallappa Omannavar of Mummigatti for cultivation as per Bombay G.O. of 23-6-1953. But the land was granted to the grantee on Kharali basis, ~~although the land was granted permanently.~~ It is also reported that the grantee has brought

only an area of 15 Acres out of the Sanctioned area of 14 Acres under cultivation & the remaining area is hilly & fallow which is unfit for cultivation. Hence, the DFO, Dharwar is of the opinion that Since the present cultivator Sri Sankappa Adivappa Omannavar owns an area of 5-1-0 in S.no. 133 of Mummigatti, Suggests to grant an area of 4-0-0 Acres only to the cultivator instead of 14 Acres.

However, in view of the report of the DC, Dharwar, the CCF has recommended the proposal of the DC & Submitted the proposals for publication (2)

the entire area of 17 Acres in favour of the Applicant permanently

(3) In this Connection, it can be pointed out that the area was granted by the then Bombay Govt. on the new and impartiable tenure (Hangami lease). Hence, if we have to release the area by issuing the notification now Subd., by the effect this means the area will be granted to the grantees permanently. But before we do this, it is for the Govt., to consider the feasibility of granting the area in favour of the grantee permanently. If Govt., agrees, we will have to release the area

by issuing a G.O. & then the notification will have to be issued.

Hence, if approved we may consult the CCF, why the Hon. Subd., the Notification for publication before the G.O. releasing the area in favour of the grantee is issued. Also, we may enquire the CCF about the proposal of the DFO, as to the feasibility of releasing 14 Acres or 11 Acres as suggested by the DFO. (4)

Disforestation regarding ..

No.FORSR.313.
Dharwar, 15/12/62.

To

The Secretary to Government of Mysore,
Agril. & Forest Department,Bangalore.

Sir,

In this case an area measuring 17A-0Gs.out of Sy.No.1-D of Gungargatti village,Dharwar Taluka has been ordered to be disforested and granted in favour of - Shri Adiveppa Mallappa Omannavar of Mummigatti,Taluka Dharwar for cultivation as per Government of Bombay's letter No.LGL/33/53 dated 23/6/1953. The Government in 67040/51/47907-P the said letter have directed to disforest the land before granting it.But it is seen that the land has been continued in the name of the grantee on Eksali basis instead of disforesting the land as directed by Governm

The grantee Shri Adiveppa Mallappa Omannavar of Mummigatti, to whom the land was granted has expired and his son Mallappa who was continued to be the lessee has also expired and his younger brother shri Sankappa Adive Omannavar,who is reported to be the manager of the - undivided family is cultivating the said land at present.

It is reported that the cultivator has brought an area of 15 Acres out of the sanctioned area of 17 acres under cultivation and the remaining area is hilly and fallow which is unfit for cultivation.The Assistant - Commissioner,Dharwar Dn. recommends to dispose of the land to the lessee on permanent basis.The Divisional Forest Officer,Dharwar is of opinion that since the present cultivator owns an area of 5 acres and 1 guntha in Sy.No.133 of Mummigatti,his holding exceeds the - economical holding if whole area of 17 acres is granted to him.He therefore,suggests to grant the area of 11A-0Gs. only to the cultivator instead of 17A-00Gs.

Since the whole area of 17A-0Gs. has already been ordered to be disforested and the present cultivator belongs to the member of the same family,it is not feasible to withdraw 6 acres of land of 17A-0Gs.which is already granted.The question of economic holding also does not arise in view of the fact that the land has already been granted as per orders of the then Bombay Government. Now only action to disforest the land is necessary before granting the land on permanent basis.

In view of these circumstances there seems no - objection to disforest the said area of 17A-0Gs.in Sy.No. 1-D of Gungargatti village and to dispose of to the present cultivator on permanent basis.The Draft notification under Section 27 of the I.F.Act(Central Act XVI of 1927)in - English as well as in Kannada in a set of seven copies each have been enclosed herewith along with the handsketch showing the boundaries of the land in question.

Government may therefore,kindly be moved to - publish the said notification in Mysore Government Gazette at an early date.
